

## Announcement

June 2, 2017

**To:** Carlisle SynTec Systems' Manufacturer's Representatives and Distributors

**Subject:** FAST™ Adhesive and OlyBond® 500 Price Increase Announcement – July 1, 2017

Carlisle has received notice of significant increases in the costs of the raw materials used to produce polyurethanes and other polymer products. Therefore, Carlisle finds it necessary to implement a price increase of 7.5% for standard FAST™ Adhesive and OlyBond® 500, effective July 1, 2017.

Carlisle's July price book will reflect these pricing updates. Existing quotes will be honored; however, new quotes will reflect this increase.

The products affected by the July 1, 2017, price increase are listed below.
