Johns Manville Polyiso Roofing Price Increase

We are incurring additional raw material cost increases associated with Polyiso materials. Effective July 17, 2017 the price on all Polyiso Roofing products will increase 8-10%. This is in addition to the previously announced increase that was effective April 3, 2017. The upcharge for CGF Polyiso products will also increase \$1.50/SQ - \$2.00/SQ.

The new price will be applied to all shipments on or after the effective increase date regardless of order placement date. Existing quotes will be honored but extensions will not be granted.

Thank you for your continued support.
