**Price Increase Announcement
SBS Membranes, Sopra-Iso and Platinum
Effective June, 1st, 2018**

To our valued customers,

Raw material cost increases that were incurred in the last months have significantly impacted the cost of our finished products. As a result, SOPREMA will implement a 5% to 8% price increase on all SBS Membranes and Sopra-Iso. Also, Platinum warranties price will increase to 11¢ for a 10 years, and all others proportionally. This price increase will be effective June 1st, 2018.

Any existing written quotes will be honoured but all new quotes for projects shipping after June 1st, 2018 will reflect the new increase.

Should you have any questions, please do not hesitate to contact your local representative.

Thank you for your support.

Best regards,
